Substitutes lead in squad depth across clubs, hinting at strong bench strength. Right Forwards are the rarest, possibly reflecting tactical preferences. Left Wingers boast the highest-rated stars, showcasing elite talent out wide, while Reserve players sit at the bottom in overall quality...

OverValued and UnferValued Players

| short_name | Max of overall | Max of value_eur | Sum of ValuePerOverall | Max of IsUndervalued | ValueCategory   |
|------------|----------------|------------------|------------------------|----------------------|-----------------|
| K. Mbappé  | 91             | 194000000        | 73,36,947.63           | 2131868              | Overpriced Star |
| E. Haaland | 88             | 148000000        | 32,44,318.18           | 1681818              | Overpriced Star |
| Neymar Jr  | 92             | 132000000        | 51,32,848.53           | 1450549              | Overpriced Star |
| H. Kane    | 90             | 129500000        | 38,62,918.51           | 1438889              | Overpriced Star |
| J. Sancho  | 87             | 124000000        | 27,64,367.82           | 1425287              | Overpriced Star |
| K. Havertz | 85             | 121000000        | 14,23,529.41           | 1423529              | Overpriced Star |

K. Mbappé stands out as the most overvalued player—his market value exceeds performance metrics. In contrast, T. Kroos appears significantly undervalued, delivering high impact relative to his price tag. This highlights potential inefficiencies in player valuation.
